

Bringing quality healthcare to your living room.

Introduction to your
GoodHealth360 Membership

01 Unlimited access to doctors

Unlimited video/phone consultation with experienced doctors allows you and your family members to get treatment and regular follow-ups from your home. Our friendly doctors will simplify your healthcare journey with guidance and motivation to ensure you return to good health soon.

Multiple ways the video/phone consultation can help your family

Elders

- Chronic disease management - Diabetes, Asthma, Hypertension, Arthritis & others
- Understand your health reports, diagnosis and ongoing treatment
- Explore an alternate treatment possibility for an ongoing medical condition
- Improved quality of living with counseling and lifestyle modifications
- Wellness support and counseling for age-related stress and depression

Adults

- Manage common health problems - Fever, cough, allergies & others
- Mental wellness support to manage stress, anxiety & depression
- Reduce future health risks with proactive treatment for cholesterol, thyroid, prediabetes, sleep disorders, PCOD & hormonal issues
- Focus on preventive health with diet, and lifestyle modification

Children

- Treatment for vitamin and nutritional deficiencies
- Manage behavioral issues & lack of concentration problem
- Counseling and guidance to overcome the academic pressure

02 Savings on health expense

Save up to 20% on your day-to-day health expenses with discounts on diagnostic tests, medicines, and treatment. The majority of the services are delivered at your doorstep, empowering each family member to manage health with comfort and freedom.
